Help us Grow more food and welcome new volunteers

We have a two-acre parcel of land ready to add to our main farm. It's exciting news. But we need to put this former agricultural land back to work—and make it part of Gaining Ground.

This land will help us grow more food for the rising number of people in need in our community and beyond. And it creates new opportunities for our hundreds of volunteers, who work and learn in our gardens.

But we need your help.

Your generous donation will help us start farming our new land—and much more. Please give to Gaining Ground today. We rely on your support to keep growing.
